Invitation Suite

You can select from our wide range of collection. Custom design starts at P2,000.

You can show us your preferred design and we can give you the specific quotation. If we will use the images from our library, layout fee is free of charge.

We use matte paper as default, add P500 for textured paper, P1500 for oldmill paper and P3500 for cotton paper or metallic paper.

DRAFTS / REVISIONS

5 free drafts / revisions.
In excess cost P200

DESIGN PROCESS

2-5 working days

PRINTING TIME

21 working days upon approval of the final artwork and Friday cutoff.
We offer rush service:
P2,000 5 working days upon approval or 10% of your total, whichever is higher
Special treatments such as foil stamp, emboss and thermography additional 3 days.
Box and laser cut additional 7 working days.

HARD COPY PROOF

P500
7 working days, upon approval of the final artwork
If you are particular with colors, output of invitation, we suggest you opt for the hard copy proof.

REPRINTS OF ORDERS

10 working days upon approval of the final artwork

one pager invitation

Orders below 50 pcs is strictly on a template base. If you want to alter color, font, etc, charge of P500.

For bulk orders above 200 + has an additional discount of 20%.

Orders below 50 pcs have a below minimum charge of P500. You can choose from our wide range of collection. We can also help you with the design process, free of charge as long as we have something similar from our library collection.

Letterpress

THE PREMIUM COLLECTION

Introducing our new range of luxury wedding invitations. Letterpress, a work of art.

We use luxurious paper to create deep impressions.

28 working days from the Friday cutoff

Minimum order of 100 pcs. Order range from 50 to 99 pcs has a charge of P1,500.

Build your own unique package.

Letterpress printing is a technique of relief printing using a manually hand fed printing press, a process by which many copies are produced by repeated hand fed one by one direct impression of an inked platen press. raised surface against sheets or a continuous roll of paper. A skilled worker composes and locks movable type into the "bed" or "chase" of a press, inks it, and presses paper against it to transfer the ink from the type which creates an impression on the paper.
